

## DIRECTIONS FOR PLACING ARTWORK ON OUR IDISK:

*PLEASE NOTE THAT ONLY MAC USERS CAN PLACE ARTWORK ON OUR IDISK*

If you're using Mac OS X version 10.3 or later, choose Go > iDisk, and then choose Other User's iDisk from the submenu.

If you're using a version of Mac OS X earlier than 10.3, choose Go > iDisk.

User Name: niagara\_label

Password: niagaralabel

Open the public folder, drag and drop your artwork (stuffing the artwork will allow for a much faster copying time). If there is a folder present for your company please place artwork within it.

Please make sure our customer service department is aware of any artwork placed onto our iDisk.
